Experience the Mediterranean just steps away. Pinet Beach II comprises 63 modern apartments (2 bedrooms and 2 bathrooms), spread across two contemporary buildings designed to maximize comfort and privacy. Each home combines high-quality finishes, open-plan living spaces, a private terrace, and a parking space with storage. Ideal for families or as a holiday rental investment. El Pinet is an ideal location with pristine beaches and a dune landscape: El Pinet beach stands out for its fine sand, the dune line, and the coastal pine forest, which lend it a natural and tranquil character, perfect for those seeking relaxation without sacrificing…
