Discover the perfect blend of natural serenity and modern living. Situated in a privileged setting in Guardamar del Segura—just steps from the riverbank and with the Mediterranean Sea on the horizon—comes our new residential project: an impressive 9-story building featuring 41 exclusive homes, designed to make the most of natural light and the exceptional quality of life found on the Costa Blanca. Most of the residences in this development feature a thoughtfully planned layout with 2 bedrooms and 2 full bathrooms, offering an ideal balance of privacy, functionality, and contemporary design. Open-plan living spaces—where the lounge and…
