On one of the largest plots in the Jazmines residential area in Cumbre del Sol stands Villa La Cala, a high-end home designed to offer space, efficiency, and panoramic views of the Mediterranean. With a plot of 2,493 m², this property stands out for its privacy, orientation, and spaces conceived to maximize natural light. The villa's architecture combines modern lines, clean volumes, and large glazed surfaces that connect the interior with the surrounding landscape. The main floor houses the daytime area: an open-plan living–dining room, a designer kitchen with a central island, an additional dining area, a pantry and laundry room, as well…
