

An architectural rendering of a modern coastal building. The foreground features a large, paved outdoor terrace with a blue-painted area containing several wooden picnic tables and benches. White human figures are placed on the terrace to indicate scale. The terrace is bordered by a low wall and a metal railing. To the left, a curved road with a blue car is visible. The background shows a vast ocean under a blue sky with scattered clouds. Several tall palm trees and lush greenery are planted around the terrace and building. A multi-story building with a glass facade and balconies is visible on the right side of the image.
