

An aerial photograph of a modern, multi-level residential building. The building features a complex, stepped design with white concrete walls and flat roofs. A prominent section of the building is clad in reddish-brown bricks. To the right of the building is a rectangular swimming pool with bright blue water, enclosed by a green safety fence. The surrounding landscape is arid, with sparse green shrubs and patches of dry earth. In the background, a paved road and other buildings are visible under a clear sky.
