

A modern, multi-story house with a large swimming pool and a covered outdoor dining area. The house features a mix of light-colored stone or concrete cladding and dark horizontal bands. A large, cantilevered balcony with a dark, vertically-slatted screen is a prominent feature. The ground floor has large glass doors leading to an open-plan living and dining area. Outside, there is a covered dining area with a table and chairs, a lounge area with armchairs, and a large swimming pool with a white lounge chair. The pool is surrounded by a white wall and some landscaping, including a palm tree and various plants. The overall design is clean and contemporary.
